

NEW ENERGY EDUCATION

FLL Jr. Team

- **Description:** The FLL Jr. competition is organized by the Lego League for K-3 students around the world. Every year, the Lego League will create a new theme for the season that teams will compete about. Students will work together, build a model for the theme, explore questions about the theme, use the Wedo machine to tests solutions for the theme, present their model, as well as engage in teamwork when competing and finding a solution.
