Dear [REDACTED]

Congratulations! You have been admitted to the College of Arts and Sciences at Cornell University for the fall of 2024. Welcome to the Cornell community!

As you celebrate, I invite you to reflect upon the words and wisdom of Ezra Cornell: "I would found an institution where any person can find instruction in any study." Cornell brings together people from around the world who are committed to personal discovery and growth. Our students, faculty, staff, and generations of alumni will encourage your scholarship, creativity, and development alongside future friends and classmates. I look forward to having you join a tradition of excellence, ingenuity, and diversity that has always made Cornell distinctive.

We will reserve a place in the class for you when we receive your Enrollment Response Form and enrollment deposit. Our offer of admission is contingent upon you satisfactorily completing any school work in progress and upholding high standards of character in all activities within and outside of the classroom. Please also note that upon your enrollment at Cornell, you will be subject to and will be expected to adhere to Cornell University's [Code of Academic Integrity](#).

Congratulations again on your admission to Cornell University!

Sincerely,
